Equipment Cases can be customised with welded aluminium partitions. These partitions are then lined with 6mm (1/4") ether foam. A further option is a partition lid – ideal for the storage of small accessories or other bits and pieces. Cost per partition (including foam) is **£25**. Cost per partition lid is **£31**.

\*The 560mm x 360mm x 230mm sized case is small enough to be taken onboard many aircraft cabins yet large enough to carry, for example, a medium sized camera kit. Please check carry-on regulations with your particular airline before ordering this case

Quoted prices refer to standard configuration of standard metal finish, turnlatches, stainless steel bar handle, and a 6mm (1/4") ether foam lining.

## Binder

A5	Standard Finish	<b>£125</b>
A4	Standard Finish	<b>£140</b>
A3	Standard Finish	<b>£155</b>
A2	Standard Finish	<b>£180</b>
A5	Polished/Riveted Finish	<b>£185</b>
A4	Polished/Riveted Finish	<b>£200</b>
A3	Polished/Riveted Finish	<b>£215</b>
A2	Polished/Riveted Finish	<b>£240</b>

Binders can be made to match a Portfolio Case. A discount of **£60** applies if you choose to have a custom logo engraved on both Portfolio Case and Binder.

Quoted prices refer to standard configuration of landscape or portrait format in standard metal finish and fitted with conventional ring or fixing post binding mechanism and ether foam lining. Sizes specified are artwork sizes, not the binder dimensions.

## BinderCase

A4	<b>£241</b>
A3	<b>£273</b>
A2	<b>£336</b>

Quoted prices refer to standard configuration of landscape or portrait format, standard metal finish, custom handle, ring binding mechanism, and a 6mm (1/4") ether foam lining. Sizes specified are artwork sizes, not the bindercase dimensions.

## Digital Case

Case containing a Powerbook G4™ or iBook™ computer with a modern digital SLR body (e.g. Nikon D2X) plus 3 or 4 lenses and common accessories. Fitted with a standard metal finish, standard locks, standard handle, and including custom foaming and partitioning.	<b>£595</b>
--	-------------

The Digital Case is a custom product. Due to the variety of computer and digital photographic equipment available it is not practical to offer a meaningful selection of standard sized digital cases. To provide an idea of cost, a 'typical' case has been quoted for here.

## Laptop Carry Case

12"-15" PowerBook™ or similar laptop	<b>£357</b>
17" PowerBook™ or similar laptop	<b>£387</b>

Quoted prices refer to standard configuration of standard metal finish, spring handle, custom locks, shoulder hoops and 'fitted' internal foam.

## Laptop Workstation Case

12"-15" PowerBook™ or similar laptop	<b>£439</b>
17" PowerBook™ or similar laptop	<b>£459</b>

Quoted prices refer to standard configuration of standard metal finish, spring handle, nickel plated locks, shoulder hoops and 'fitted' internal foam.

Ether	50mm	2m x 1m	£70

Ether Foam is a closed cell hard foam that can be cut with a sharp knife or by band-saw. It can be glued with EVO-STICK or any other impact adhesive. This foam is water-proof and has good shock protection qualities. It is ideal for delicate equipment and will keep its shape when cut.

(Foam)	(Type)	(Thickness)	(Sheet size)	
Soft Polyester	Flat Sheet	12mm	1m x 1m	£15
Soft Polyester	Flat Sheet	25mm	1m x 1m	£23
Soft Polyester	Egg Box	40mm	1m x 1m	£42
Soft Polyester	Flat Sheet	12mm	2m x 1m	£26
Soft Polyester	Flat Sheet	25mm	2m x 1m	£42
Soft Polyester	Egg Box	40mm	2m x 1m	£74

Soft polyester foam is a open cell foam that is not water-proof and behaves like a sponge. It is useful in the lid area because it will allow the lid to close onto unusually shaped objects. Use the same glue as with ether foam. The egg box shape is mainly used in equipment cases.

## Quantity Discounts

5–9 units	7.5%
10–14 units	10%
15–19 units	12.5%
20–49 units	15%
49 or more units	20%

As all our cases are made by hand, we manufacture large orders in small batches. Our normal time scale of around 4 weeks still applies unless the quantity ordered is so large it is impracticable. In this case we would warn you before undertaking such an order.

## Delivery Charges

Mainland UK	£28.50
USA and Canada	£90
Rest of the world	By quotation

Prices include secure wrapping and are based on an overnight service.

Aluminium Case Company products are hand made in our London workshop. As such, please allow for a 3–4 week timescale between confirmation of order and delivery.

Aluminium Case Company can manufacture cases to virtually any size or shape. If you don't find the size you are looking for in our standard range, please contact us for a custom quote.
